Best Ball Rules:

There will be three rounds, if necessary, where each bowler will roll one ball. The bowlers with the highest pin count will move on to the next round. Example: if a bowler rolls a strike they will continue against anyone else who rolled a strike. If no one rolls a strike the bowler(s) with the highest pin count will compete against other bowlers with similar count. This will go on for a maximum of three rounds. If after three rounds there is not a single bowler left there will be a roll-off after the squad. Prize money will be awarded at the end of each squad.
