TOURNAMENT FORMAT:

- All bowlers will need to bowl 4 games across 8 lanes on the house condition of the given center.
- After 4 games, a cut will be based on # of entries to advance (**top 8 or 12**).
- If there are 21 or more bowlers, the cut will be made to the top 12, and if there are 20 or less bowlers, the cut will be made to the top 8.
- The advancing bowlers will be seeded into a match play bracket based off of their qualifying scores; for example: (1 v 12, 1 v 8, 2 v 11, 2 v 7).
- Match play for each division will consist of a double-elimination bracket format until the stepladder finals. Each match will consist of a 2-game match play earning 1 point per game for a win. If a match results in a 1-1-point tie, a 9th and 10th frame roll-off will determine the winner. The higher seed will have a starting lane choice for the first game. The player starting on the left lane will start the match.
- After the conclusion of the match play rounds, the 5 remaining bowlers in each division will compete in a single game stepladder finals.

JBT Double Eliminator Format

The second round will consist of a 2 game match play earning 1 point per game for a win. If a match results in a 1-1 point tie, a 9th and 10th frame roll-off will determine the winner.

- The next round or round 3 consists of (for example):
- **If 8 bowlers make the cut** in a given division, the 4 winners will earn the top 4 seeds in the stepladder finals based off of their qualifying seed. The 4 losers will bowl a 1 game match. (highest vs lowest, 2nd highest vs 2nd lowest). The 2 winners of those matches will then bowl another 1 game match. The winner of the final match in the Losers bracket will earn the 5th seed in the stepladder finals

- **If 12 bowlers make the cut** in a given division, the 6 winners from the round of 12 will then bowl another 2 game match according to the bracket. The 6 losers will bowl a 1 game match based off of their qualifying seed. (highest vs lowest, 2nd highest vs 2nd lowest, 3rd highest vs 3rd lowest). The 3 winners from the round of 6 in the Winners bracket will earn the top 3 seeds in the stepladder finals according to their original seed. The 3 losers from the round of 6 in the Winners bracket will bowl another 1 game match against the 3 winners from the Losers bracket. (highest winner vs lowest loser, 2nd highest winner vs 2nd lowest loser, lowest winner vs highest loser). The 3 winners of that will bowl an additional game where the 2 bowlers with the highest games earn the 4th and 5th seed in the stepladder finals.
