2. Bowlers will use their highest 2024-25 average (min 8 games). If a bowler has not reached an 8-game average for the current season, he/she will use their highest book average. Once a bowler reaches 8 games within the JBT tournaments, a JBT average will be used in each tournament.

The tournament director reserves the right to rerate any bowler.
3. Bowlers in the Handicap Division must provide either a list of current leagues or verification (displaying average as of 1 week prior to tournament or last season bowled if not updated 1 week prior) from all leagues currently bowled during check-in. **Any bowler that does not provide written verification must bowl the Mixed handicap/scratch division with an average of 215.** The tournament director reserves the right to rerate any bowler.

9. Any bowler may choose to bowl in the mixed handicap/scratch division regardless of their average.
10. All rules not covered within will be governed by the rules of the USBC.
11. With an entry fee paid, each bowler acknowledges the JBT Tournament Rules. This acknowledges a mutual understanding of provided rules and serves as a WARNING. If a bowler is in violation of any rules, he/she will be immediately disqualified for the current event unless he/she can rectify the situation before the start of the tournament. If the situation can't be corrected, the bowler will not bowl in the current event. Depending on the severity of the violation, further repercussions may result.

TOURNAMENT FORMAT:

- All teams will bowl 8 games, across 8 pairs, moving lanes after the even games.
- After 8 games, the top 4 teams will be seeded into a mini bracket
- The 1st and 4th seeds will bowl and the 2nd and 3rd seeds will bowl against each other. The match will be a best of three games match, where the first team to win 2 games will win.
- The winning teams will bowl a best of 3 match where the first team to win 2 games will win.
- Teams must alternate starting bowlers for each game.
- The Baker Format requires teams to rotate in players so that each player plays in order: the doubles (two-person) team simply alternates frames so the first bowler completes all odd-numbered frames, and the second bowler bowls all the even-numbered ones.
